## Power Lift Inc. Certificate of Liability Insurance Requirements

Power Lift, Inc. requires you to insure leased/rented equipment to full replacement value with "All Risks of Physical Loss" coverage as per item #6 shown on the lease/rental agreement.

As a new customer, please follow the guidelines below, rentals can not be completed without this information in place:

As an existing customer, our records indicate that we do not have a current "Certificate of Liability Insurance" on file, or after reviewing the certificate that you have provided to us; we have noticed that one or more of the following items does not meet the specified requirements:

- Certificate on file indicates policy has or will expire within the next 60 days.
- Certificate holder is listed incorrectly. **List certificate holder as: Power Lift, Inc., 623 Hoover Street NE, Minneapolis, MN 55413.**
- Add Power Lift, Inc. as loss payee on rented/leased equipment as their interest may appear.
- Add wording naming Power Lift Inc. as an "Additional Named Insured".
- Commercial General Liability & Products Liability with limits not less than \$1,000,000; General Liability Aggregate: \$1,000,000 Products-Completed Operations.
- Certificate of insurance must show written notice of cancellation no less than 30 days.
- Statutory Workers Compensation and Employees Liability.

Please forward a Certificate of Insurance meeting the above criteria for us to keep on file.

Thank you for your attention to this important matter and should you have any questions or concerns, please do not hesitate to call.
